3. Parking

Please park considerately and sensibly to make sure that our children are safe and to show consideration for our neighbours. Whilst we recognise the fact that many parents need to travel by car, we are an expanding school with nearly 180 children on roll and we would like to encourage children to walk to school as much as possible. We also have plenty of storage for cycles and scooters to the side of (new) Kingfisher classroom. If children do ride a bicycle or scooter to school, please can you remind them that they should not be riding scooters or bicycles once they are inside the school gates – children should dismount and walk their scooters/bicycles to the storage areas.

4. Curriculum

Curriculum letters are available on the school website to give an overview of your child's learning for Terms 1 and 2. [The Early Learning Goals \(for children in YR\) can be found here.](#) The KPIs (Key Performance Indicators) for reading, writing and maths that we use with other LSP schools to make assessments on your child's attainment and progress during the year have also been added to [the website and can be found here.](#) (Please note, the KPIs are written in education terms, but may be useful for parents to see for themselves and support your child's learning at home).

5. School Uniform

Children are expected to wear school uniform at all times unless otherwise specified (e.g. Reception children do not wear uniform for forest school sessions). Guidance on school uniform is on [the website and can be found here.](#) Please make sure that all property and uniform, PE kits, coats etc are named. Please also make sure that children have coats in school – even if the weather is looking sunny and bright at the start of the day.

6. Playground Equipment

Please note that the adventure play equipment by the field is **only** for the use of school-aged children during the school day, and **should not be used at any other time.**

7. School Day

Please try to be punctual at drop off time in the morning and collecting time in the afternoon. School times are:

Gates open: 8.45am

Registration and start of school: 8.55am

Gates Close: 9:00am

Break time: 10.30-10.45am

Lunchtime: 12.00-1.00pm

End of school: 3.10pm (gates open at 3.05)

Office Opening hours: 8.45am-12.30pm and 1.00-3.30pm

Parents are welcome into school and we encourage frequent and regular communication. The end of the day is the best time to catch the class teachers, as in the morning we like the children to come into class independently and teachers are preparing activities.

8. Absence and attendance

We have to keep a record of all authorised and unauthorised absences, i.e. when you have not been given permission for your child to be absent from school. If your child is unable to attend school as a result of illness, parents **must** telephone the school and leave a message (01275 332817), or send a message to the school before 9.10am. Parents need to let the school know exactly what the illness is please. This avoids the school having to register illness as unauthorised absence. Even more importantly, it is a system for the school to monitor the safe

arrival of all pupils. If your child arrives after the register has been taken, please make sure that you come in to school to sign your child in and provide a reason for the lateness. If the school does not receive this information, an unauthorised absence will be recorded. Lateness is monitored and investigated by the Children Missing Education Officer on a regular basis.

Parents are expected to get children to school on time and to avoid taking any holiday in term time.

Children are expected to attend school for 190 days out of 365. This leaves 175 days for holidays or non-urgent medical/dental appointments. Research suggests that children who are taken out of school may never catch up on work they have missed. This may affect test results and can be particularly harmful if the child is studying for final year examinations. Evidence also shows that children who attend school regularly are more successful, not only in school, but in all areas of life. Children who struggle with English or Mathematics may also find it harder to cope when they return to school, while younger children may find it difficult to renew friendships with their classmates. Please also be aware that being late by 15 minutes a day is the same as missing two weeks of school over the year. The start of the school day is an important time for children to develop their social skills with their friends, as well as preparing them for their learning.

Whilst 90% in an exam might be seen as an ‘excellent’ score, 90% in school attendance terms is poor!

98% - 100% Excellent	Less than 6 days absence per year; excellent attendance! Children with this attendance should achieve the best levels of achievement that they can.
95% - 97% Good	Less than 10 days absence per year; good attendance! Children with this attendance are likely to achieve the best level of achievement they can and are working to improve their attendance and punctuality.
91% - 94% Satisfactory	Nearly 20 days absence over the year – this is only satisfactory attendance! Children with this attendance are missing approximately a month of school per year and may fall behind in reading, writing, maths and other subjects. It may be difficult for them to achieve their best.
86% - 90% Concerns	Up to 27 days absence over the year – this is poor attendance! Children with this attendance are missing approximately 4 to 5 weeks of school a year! It will be difficult for them to keep up and achieve their best.
85% or below Serious Concerns	Roughly 1 day a week absence - extremely poor attendance! It will be almost impossible for children with this level of absence to keep up with their work, and they are at a high risk of failing. 85% attendance over the course of 7 years in Primary School is the same as missing a whole year in school!

9. Special educational needs (SEN)

The easiest way to find information on SEND is on the website <https://www.bishopsuttonstantondrew.co.uk/Special-Needs/> or contact Pauline Adams our SENDCO for a chat.

10. Behaviour and The Golden Rules

The Golden Rules are:

We are gentle and respectful	We do not behave impolitely or disrespectfully
We are kind and helpful	We do not hurt other people or their feelings
We work hard and follow instructions and always try our best	We do not waste our own or other people's time
We look after property and our environment	We do not waste or damage things
We listen to learn and communicate politely	We do not interrupt or distract others
We are honest	We do not cover up the truth

Children miss Golden Time if the rules are not followed. In the rare cases of persistent unacceptable behaviour, we will contact you and will expect your full support in dealing with the situation. (It is extremely rare for any child to be excluded from school; we follow recommended procedures for this and parents would be fully consulted.) The full behaviour policy is available [on the website here](#).

11. Questions and Concerns

We do hope that parents/carers always feel free to raise questions and concerns with all our staff as early as possible – as this can prevent anxieties building up. The best time of day to talk to staff is generally at the end of the day – however, staff are always happy to make a mutually convenient appointment time with you. Should you have a concern and not sure who is best to speak to, please contact the school office for advice on who to speak with to resolve the issue and see the table below

If you have questions about any of the topics in the table below, or would like to speak to a member of staff:

- Email the school office via bsps@bishopsuttonstantondrew.co.uk
- Put the subject and the name of the relevant member of staff in the subject line
- We'll forward your email on to the relevant member of staff

Remember: check our website first, much of the information you need is posted there. If you see something that you think should be there please send an email with website in the subject line.

We try to respond to all emails within 48 hours or so depending on the nature of your enquiry. If it's a complex query or perhaps involves part-time members of staff, it could take longer. If this is the case we would normally send you an acknowledgement email with a suggested timescale for further response. If you have a concern that is not resolved after several meetings/discussion, this may lead to you wanting to make a complaint. The LSP Complaints Policy can be found [on the school website here](#).

More information

If you have any questions or specific concerns, please contact Mrs Dimmock or Mrs Phillips in the school office.

14. Pupil premium

Introduced in 2011, the pupil premium is a sum of money given to schools each year by the Government to improve the attainment of disadvantaged children (e.g. those eligible for free school meals). The pupil premium is intended to directly benefit the children who are eligible, helping to narrow the gap between them and their classmates. Parents and carers of children eligible will be contacted by the school to explain how the money is spent and more information is available on the website. Mr Andy Marriott is our Pupil Premium coordinator.

15. Governing board

Chair of governors: Mr Jonathan Layzell

Vice Chair of governors: Mrs Bethan Bennett

Clerk to the governors: Mrs Sally Phillips.

If you would be interested in becoming a governor or would like to contact a governor, contact Mrs Phillips (as Clerk to the governors) in the first instance. Governors have three main responsibilities relating to strategic planning, financial performance (including value for money) and holding the Headteacher to account. Governors are not responsible for the day to day running of the school; that is down to the Headteacher and the staff.
