Textile Recycling

Did you know that you can recycle your unwanted textiles in the textile bank by the back school gates and raise money for the school. For every tonne of textiles placed in the bank, we receive £300! So you can raise money and ensure textiles are reused than go to land fill.

Well done & Thank You

Well done to school-mum Stephanie Hodge for running in the London Marathon on 2nd October. Thank you choosing to support Bishop Sutton School Society as your chosen charity as well as Crohn's & Colitis UK. Its never too late to sponsor Stephannie for her brilliant achievement via her [Just Giving page](#).

Standing Order

We know that some parents prefer to support the school by making regular monthly donation via standing order. A small monthly donation (with the Gift Aid if you are a tax payer) would really add up. You just need to fill out a short form and hand it into the school office.

Match Funding

Many companies throughout the UK offer employees the chance to boost our fundraising efforts by 'matching' the money we raise. Why not speak to your HR department and see if they offer match funding for schools. Wouldn't it be great if all or some of the money we raise for a disco or quiz night was matched by our parents' employer!
