iPad Chargers

Mrs Abbott would like to ask if any parents have any spare/unused iPad chargers, the wide ones, at home that they would like to donate to the school we would really appreciate them.

After School Activities

We would like to confirm the after-school activities for the school that we are able to offer for T5 and T6 at no cost to parents in T5 and T6. I do hope that this is something that may be of interest to some of our children - after lockdown it should be a great opportunity for the children to have additional fun time in school with their friends, as well as being active and enjoying playing sports.
