After School Activities

We would like to confirm the after-school activities for the school that we are able to offer for term 6 at no cost to parents. I do hope that this is something that may be of interest to some of our children - after lockdown it should be a great opportunity for the children to have additional fun time in school with their friends, as well as being active and enjoying playing sports. If your child is already signed up for a club we will assume that they will be continuing to attend during Term 6 unless we hear otherwise, there will be no need to complete another form unless your contact details have changed. If you do require a form, they are available from Mrs Clubbe in the office.

Community

Please could we remind you of a few considerations now that we are all back at school

- park well away from neighbours driveways
- supervise your child/children at all times as the road is busy and narrow with poor visibility in areas
- do not allow your child/children to play around parked cars belonging to staff, other parents and our closest neighbour whose land is adjacent to the footpath to the field.
- clean up after your dog if needed, there is a bin opposite the school.

Lemurs

We are delighted that we have finally booked our year 5 and 6 Mill on the Brue day trip for Tuesday 6th July 2021. We are lucky to have the chance to go and hope the children will be able to enjoy the best activities. The cost of the day trip is £49 and a payment item will be set up in ParentPay. The trip will be free to children who are in receipt of the Pupil Premium and you will be contacted about this if you are eligible. Those parents who have already paid for the previous day trip will be refunded in full but this may take a week to process. Unfortunately we are unable to transfer monies already paid to the new payment item. *Please make arrangements to pay by Friday 18th June.*

The raffle will be held after school this Friday 28th May. To make sure that we remain socially distanced during the raffle only three members of the Friends will be able to be present for the draw. Mr Cook and Mr Schofield will be drawing the tickets and winners will be contacted after the draw. Good luck everyone and thank you for your support!

Can you help protect young children from accidental injuries?

In 2018-2019, 36,000 children under the age of four, living in the West of England area, visited hospital A&E because of an accidental injury at home.

Lifeskills has been helping families to live safer, healthier lives for over 20 years. We are looking at ways in which we can increase the home safety advice and information given to families, and would love to hear your views.

Please take part in this quick online survey to tell us what support is needed to keep babies, toddlers and young children safe from harm at home.

Complete the online survey at www.lifeskills-bristol.org.uk/survey/ or scan the QR code.

The survey will only take a few minutes and all responses are completely anonymous.
