The results were:

Swallows

Last Wednesday, Swallow class completed their second workshop with Valley Arts learning about puppetry skills.

Children in Swallows also took part in cookery lessons this week. They made an Italian pasta dish and focaccia bread, they also learnt about nutrition and a healthy diet.

Swans

Year 4 visited Mendip activity centre recently and took part in an Archery session. They all had a fantastic time.

Swallows

Parents are invited into school on Tuesday 9th July at 2.40pm for a violin performance in the hall. The violin teacher has been very impressed with the children this year, please come along to support them.

Kingfishers

Children in Year 6 visited The Lifeskills Centre today. Lifeskills aims to show pupils that they should be taking personal responsibility for their own safety. Children learn how to assess risk and cope with difficult situations by taking part in realistic, interactive activities. The children really enjoyed the experience and learnt a lot.

Ducklings

In continuous provision, children in Ducklings were set the task of making a vehicle, the challenge was then to make it move - the results were amazing!

Ducklings have also been learning about floating and sinking. Their challenge was to make a raft that would float...

PTA AGM

The PTA raises thousands of pounds every year to support our school and enrich our children's education, but it can't function without the support of parents like you!

We are a friendly group of parents who meet once a term to plan and organise fundraising events. As our Year 6 PTA members leave for secondary school, we need help from parents to host events so we can support our children's education and fun activities.

You don't need to commit to being on the PTA, but if you have the capacity to regularly help at events we would still love to see you at our AGM on **Wednesday 10th July 7:30pm in the school hall** or contact your class rep.
