Help to minimise the Risk

Please help us to minimise the risk to our school from Covid-19 by;

- Wearing a facemask that covers your nose and mouth when entering the school site including the school reception
- Only one adult per family coming onto site to drop off or collect children
- Dropping off and collecting your child as quickly as possible
- Keeping your child with you whilst waiting for other children
- Informing the school when your child is absent and the reason for the absence
- Please do not let the children play on the play equipment after school. (Children should not be playing on the equipment anyway; we have also opened the play equipment to designated classes on a weekly basis and need to avoid cross contamination).

Quick note from Mr Cook

C19 update

We await the UK gov announcements on Monday 14th June next week to see what restrictions will be lifted and how that may affect our procedures and events in school. There is always a balance to be achieved here e.g. if we were to extend the bubbles to two classes, but subsequently had to close a bubble, more children/families are affected. (Another local school is dealing with three positive cases as I write, and this has had a knock-on effect for two classes...). As always we will keep you updated once we know more, and thank you for your support in trying to keep school running as close to normal as we can.

PTA updates

I'd like to make all parents aware that we have the PTA AGM on Wednesday 14th July at 8pm – venue to be confirmed. We have some key members stepping down this year, and it would be great to have some new members joining us to help maintain our thriving PTA. Members have worked

really hard during the last tricky months and have been able to fundraise with great imagination and provide additional resources for school. So AGM 8pm on 14th July – all welcome!

PTA are also planning to sell ice creams after school every Friday from Friday 25th June. We'll have additional measures in place e.g. sales at two points, hand sanitizer available, social distancing queuing, masks worn, separate adults to handle cash and ice creams etc to try to make sales as safe as possible. As always on PTA matters, please contact Maria on pta@bishopsuttonstantondrew.co.uk for details/queries.

Mini Sports Day for Herons, Cygnets and Ducklings Classes

So far the weather has been kind to us and all KS2 classes had a mini sports day before the half term holiday; now it's the turn of KS1/EYFS children!

Monday 14th June will be Cygnets and Herons

Monday 21st June will be Ducklings

Children will have a mini sports day in their class bubble, led by a member of staff from PH Sports. (These events are for children and sadly parents cannot be involved). Children will need to come to school in their PE kit please and bring water bottles/coats etc. If the weather prevents us from running these days, we will postpone to another week.

And finally, Tennis lessons for Y1 children (Cygnets) are due to start on Friday 25th June, with the last one on Friday 16th July. Lessons take place in the afternoon at Bishop Sutton Tennis Club – Miss Storer will need additional adults to help walk the children down to the club. Please contact her if you are able to help.
