Lemurs

Children in Years 5 and 6 have been making burgers today to cook at home. They each chose a recipe and brought in the ingredients to create their burgers in school. Hopefully, they will have them for tea tonight!

Meerkats

The children in Meerkats worked hard last week! In Maths, Reception have been practising making their numbers to 10, Year 1 have been making their teen numbers and Year 2 have been working hard totalling different amounts of money together. All the children have been enjoying Starbird in English and Year 1 and Reception have also been making their very own collages inspired by 'The Rainbow Fish'. The children have been learning how to use Bee-bots as part of Computing and have been talking about the materials that different objects are made of in Science.

Reception have also been making their very own 'snow scape' as part of their topic on Antarctica...

Safer Internet day

Tuesday 6th February is national Safer Internet Day and at Bishop Sutton and Stanton Drew schools we understand the importance of making sure all our children are safe wherever and whenever they go online.

The most comprehensive parent guides to staying safe online can be found [here](https://www.internetmatters.org/digital-family-toolkit/). With a wealth of age-specific information for parents and carers, from pre-schoolers to teens, it includes everything you need to know about setting controls, in-app purchases, online gaming and lots more. You can even set up a *personalised family digital toolkit*, by answering a few simple questions <https://www.internetmatters.org/digital-family-toolkit/>.

In addition, this website <https://saferinternet.org.uk/safer-internet-day/safer-internet-day-2024/parents-and-carers> has some FAQs, which also addresses 'influencers' and how they may affect children's behaviour and attitudes. Increasingly, children relate to people they see on YouTube or other social media rather than traditional media, so it's important to have conversations about who as well as what they are watching online.

Please contact Mr Marriott, Computing and Deputy Safeguarding Lead, if you have any questions or concerns about your child's online safety.

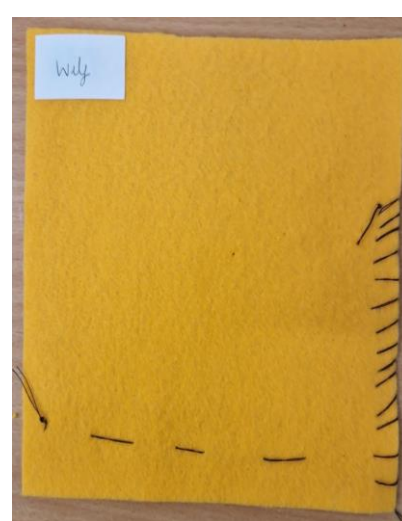

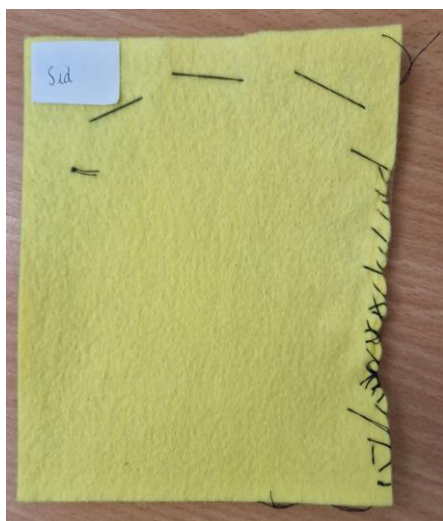

Football

On Monday, Year 6 visited Chew Valley School to take part in a football tournament. They played five matches in total against schools in the surrounding area including Chew Magna, Chew Stoke, Pensford 1+2 and Winford. They won 2 games, drew 2 and lost 1. Well done team!

Chinchillas

In Chinchillas, the children have been practising their sewing skills ready for the big DT project, here are some examples of their fantastic sewing!

Free School Meals – message from Banes Council – please see attached poster also

Is your household earned income/take home pay below **£616.67 per month**?

Is your child missing out on Benefit Related Free School Meals?

If your household earned income/take home pay is below £616.67 per month, (which is equivalent to £7,400 per year) and your child attends a Bath & North East Somerset academy or maintained school then you could be entitled to Benefit Related Free School Meals?

Your household income is the figure that Universal Credit use to work out how much Universal Credit to pay you, not your actual Universal Credit payment.

If your child is in Reception, Year 1, or Year two and receives Universal Infant Free School Meals, you can still apply for the Benefit Related Free School Meals.

Please do not reapply if your child is already in receipt of Benefit Related Free School Meals.

Ways to apply:

- Online via the following link: <https://beta.bathnes.gov.uk/apply-free-school-meals>
- You can ask your child's school for an application form
- You can make a telephone application by calling 01225 394317. If you reach our answerphone, please leave a message and we will call you back.

For more details, please visit our website at: <https://beta.bathnes.gov.uk/apply-free-school-meals>
