School News

Update from Mr Cook

I hope you all enjoyed the Easter holiday and the recent Bank holiday weekend. We have had a very busy time since returning, and the children have settled really quickly to the usual school routines. They have focused really well on their learning and their behaviour has been excellent – well done children!

ABAs (Anti-Bullying Ambassadors)

Assembly on Thursday this week was led by our Anti-Bullying Ambassadors (Felix, Millie, Grace and Lucas). They spoke articulately to promote the anti-bullying message, as well as explaining the difference between 'conflict' (falling out), and bullying. They also shared their Top 10 Tips to support children who are being bullied – including of course, asking for support from our Y6 Anti-Bullying Ambassadors.

Sports Day

Sports Day this year will take place on the afternoon of Tuesday 21st June – all being well at Bishop Sutton Football Club, further details to follow. Wednesday 22nd June is our reserve day.

Trips & activities

Photos below (Swallows Class) from the rugby and cheerleading day on Wednesday this week that all children took part in.

Wrens and Cygnets have had trips to Mendip Outdoor Pursuits Centre in Churchill – trips for the other classes are already planned, see the list of dates above.

*Bushcraft, tobogganing,
Frisbee Golf*

Wild flower seeds from the Stowey Sutton Parish Council

Each child has kindly been given a packet a wild flower seeds from Stowey Sutton Parish Council to help the environment and make the villages look colourful for the Queen's Platinum Jubilee. These were sent home with the children on 6th May to be planted in open ground or in a pot and once grown will attract butterflies and bees.

SATs week (Y6) – next week

Y6 children have not had to sit these formal government assessments since 2019. The SATs are merely a snapshot of what your child has learnt in Maths and English in primary school and the results depend on how well they perform on the day. They do not measure kindness, musical ability, sports skills or determination. They don't measure aptitude for Science, History, or Geography but all of that information will be passed to their secondary schools ready for the next stage in their academic lives. We are proud of the hard work and resilience they have shown in preparing for the tests.

Reminder- Queen's Platinum Jubilee Celebrations

As the country prepares to celebrate this significant occasion, please make a note in your diaries... We will be having an **in-school celebration at 2pm on Thursday 26th May**. We have discussed with school council and will be holding a celebration assembly with music and a family 'tea' on the field, hopefully with scones, cake and squash. We would love parents to come along to join us at 2pm and then aim to finish slightly early around 3pm. If the weather is poor, our plans will have to change! Watch this space.
