#### Key Objectives 2016 – 2017

1. Ensure quality teaching and assessment of PE in both schools.
2. Maintain or improve our Sainsbury's School Games 'Bronze' awards in both schools.
3. Maintain and expand our links with local secondary school and local sports clubs
4. Extend our range of activities to enthuse and inspire pupils (including extra curricular).

#### Review

1. Each class in the federation receiving 2 hours of PE a week. 96% of pupils Y2 – 6 at the expected level in PE at Stanton Drew. 82% of pupils Y1 – 6 at the expected level in PE at Bishop Sutton. (Further training on assessment and assessment of YR, Y1 and Y2 needed).
2. Sainsbury's School Games awards not applied for. However, we increased our extra-curricular club attendance, increased our pupil led activities within school, increased our links within the community and celebrated our sporting successes in our newsletters, on our website and in the local newspaper.
3. Links sustained with Bishop Sutton Tennis Club, Midsomer Norton Swimming Pool and Bishop Sutton Football Club. New links with Stanton Drew Cricket Ground, Charterhouse Activity Centre, Redpoint Climbing Centre and Bristol Sailing Club. Activities also organised with local sports and fitness coaches.
4. Survey of pupils' sporting interests and requests for clubs/ activities. This was then used to create new clubs including Yoga, Y1/2 Dance, Basketball, Team Football Training and Y1/2 Ball Skills. Specialist coaches invited in to expand pupils' experiences (Yoga, 'Boot Camp', martial arts, badminton and basketball). Bishop Sutton: 100% pupils participated in an 'OAA Day' trip.
